Accommodations

Abell Lady has the later interior with an angled double berth forward and a mid cabin double. Both sleeping areas have privacy curtains. The stand up head has hot and cold water with a shower. The large cockpit offers everything for relaxing and enjoying your time on the water. The generous sized swim grid adds to the space aft and has a deck shower and an easy to use swim ladder.

Galley

A very complete and accommodating galley featuring a 2 burner stove, large SS sink with covers providing lots of counter space and plenty of storage cupboards and drawers. The TV is at the forward end of the galley so the "captain" can watch and create those special meals.

Electrical Systems

A very complete system with a 4.5 KW genset, 120V/30A shorepower and 12V DC systems. A Promariner charger keeps the 2 start, 1 house and 1 genset battery topped up. All systems are monitored and controlled from the main cabin panels.

Electronics & Navigation Systems

Complete dealer installed Raymarine package that includes a RC72 CRT radar with Ray chart, a L760 Raychart colour GPS chart plotter with numerous charts and a L760 GPS/Fish finder with a Raystar 112 LP Sensor. Included is a D5 Espar furnace with 5 outlets plus windshield defrost. There is a TV antenna plus cable hook up for those import reality programmes. Don't forget the premier stereo upgrade with subwoofer and amplifier for the tunes you just can't live without.

Helm & Deck

Full instrumentation with a sovereign cherry finish that matches the interior cabinetry, a tan finished at the windshield to reduce glare, a full tan sunbrella canvas package, tilt steering, captains bucket seat with a flip up bolster and a double size copilots chair, Lofrans anchor windlass, Delta anchor 30' chain and 150' rode. Cockpit has seating for 4 with a removeable table. The large swim grid has a 4 step boarding ladder and there is a fender locker in the transom that houses all electric and cable connections.

Additional Features

Vessel is complete with the following safety equipment: Engine compartment fire extinguishing system, numerous life jackets still in their packaging, D5 Espar furnace, lifering with toss line, manual bilge pump, dock lines, dual wipers, stainless steel propellers, 9 electronic charts, spares kit for the genset, snap down carpet covers in the cabin, Vacuflush toilet.
